Your Support Makes A Difference!

 HARTFORD HEALTHCARE

Escalating costs have forced many in our community to forgo nutritious meals. For more than 40 years, VNA HealthCare's *Meals on Wheels* program has delivered tens of thousands of meals to area residents unable to regularly shop and prepare meals for themselves.

Our goal is to serve everyone who needs this assistance, and VNA HealthCare relies upon the generosity of individuals and companies like yours to meet this need.

For many of the 1,500 people served through *Meals on Wheels*, the delivered meals provide more than daily nutrition - they can mean the difference between remaining in the comfort of home or being moved to a residential facility.

The need for charitable assistance to individuals without the resources to pay for this service has increased dramatically. Your support will help us ensure that we are able to meet this need, ensuring health and well-being for all who need our care.

Thank you,
 Jason Benedict
